Subject: Product name changes

Dear Valued Customer,

As of January 2, 2025, you will start to see the new product names on certain documents, like invoices and delivery notes or Safety Data Sheets in the following format: “Hydrotech XYZ, formerly “XYZ”. In the coming months you will start receiving products packaged under the new branding”; however, it will take some time before all rebranding has been implemented for all products. We expect that all product packaging will be rebranded by summer of 2025.
